CSC Transportation LLC received a Gold National Safety Award from Great West Casualty Company in May of 2011. The CSC Transportation fleet registered over 7 million miles during the year and reached a new company low for accident frequency.

The National Safety Awards Program recognizes carriers in similar operations (truckload and less than truckload) with awards based on their year-end preventable accident results. Carriers are eligible to receive a Platinum, Gold, Silver or Participant award. This past year, the National Safety Awards program had over 800 participants from across the country.

Jim Pruett from Great West Insurance presented the plaque signifying the company's efforts to Doreen Dintelman and Bill Cromie. Operational safety and accident prevention is a priority for everyone in the company, from the driver behind the wheel to the management and staff that support them.
